The club focuses on having fun on road trips, attending car shows and social events. Our club encourages the preservation, ownership and use of Corvettes and is open to all who share the same enthusiasm for the only true American sports car, the Corvette!

Corvettes International hosts at least one car show every year with over \$100K donated to charity since 2000. The club participates in many National Council of Corvette Clubs (NCCC) sanctioned/non-sanctioned car shows throughout the Carolinas.
